

COMMITTEE OF CREDENTIALS

The Commission on Teacher Credentialing invites applications from qualified persons to serve in the Administrative position on the Committee of Credentials.

Final Filing Date: March 1, 2004.

Applications must be postmarked no later than the final filing date. Applications postmarked after the final filing date will not be considered.

Interviews

It is anticipated that interviews will be held during May 2004.

Requirements for Consideration

The Commission on Teacher Credentialing (CCTC) is seeking nominations to fill the following vacancy:

School Administrator. Must be a certified practicing administrative employee in the public schools.

The Position

A member of the Committee of Credentials participates in meetings and hearings in connection with allegations of unfitness for which applicants for issuance of credentials may be denied, or holders of credentials may be privately admonished, publicly reprimanded, suspended or revoked. If the investigation made by the Committee of Credentials shows probable cause for such discipline, the Committee initiates an adjudicatory hearing by filing an accusation or statement of issues under the Administrative Procedures Act.

Committee members must, in each case, conduct a careful and reasoned investigation into the fitness of the person to perform the duties authorized by the credential applied for or held. *There is no homework.*

Selection Procedure

The procedure will consist of an initial review of applications for selection of candidates to be interviewed by the CCTC. Applicants selected for an interview will receive written notice in April 2003.

In addition to evaluation of an applicant's relative abilities as demonstrated by quality and breadth of experience, emphasis in the interview will be on the evaluation of each applicant's:

A. Knowledge of:

1. Community standards of behavior as applied to certificated public school employees.
2. Community attitudes toward public school education.
3. Circumstances and conditions under which certificated persons are employed.
4. Evaluation of evidence.
5. Elementary parliamentary procedure.

B. Ability to:

1. Analyze, appraise, and apply sound judgment regarding allegations of misconduct and unfitness to teach.
2. Conduct and participate in fair and impartial hearings in a manner that will raise all pertinent issues and evidence.
3. Maintain a fair and impartial attitude without bias or prejudice.
4. Communicate effectively.
5. Establish and maintain cooperative working relationships with other Committee members and staff.
6. Demonstrate sensitivity to the rights and concerns of the public, the teaching profession, school employers and persons charged with misconduct.

SPECIFIC INSTRUCTIONS AND INFORMATION TO APPLICANTS FOR APPOINTMENT TO THE COMMITTEE OF CREDENTIALS

Why this application is required of all persons who wish to serve on the Committee of Credentials:

The Committee of Credentials and the Commission on Teacher Credentialing are charged by law with evaluation of the moral character and fitness of all persons who wish to teach or perform certified services in the public schools. The Commission, which appoints members to the Committee, is deeply concerned that the evaluators it appoints will meet the same high standards that will be applied to the teachers and applicants whom they evaluate.

The Committee of Credentials is a working Committee which must meet 4 days each month in Sacramento during which it spends many hours reading investigative reports, weighing evidence, questioning credential applicants and holders and debating group decisions which deeply affect the lives and livelihoods of persons before it; all without revealing or disclosure to any other persons the information received through investigation or hearings.

Successful applicants for Committee membership will receive little or no public credit for a job well done, but they will be much appreciated by a grateful Commission on Teacher Credentialing and by the school children who may never know the Committee members' names, but whose safety will have been secured by their efforts.

General Information

Members of the Committee of Credentials serve without compensation, but receive their necessary travel expenses at rates set by the State Board of Control.

In addition, members who would lose compensation by reason of attendance receive a stipend of one hundred dollars (\$100) per day unless they are employees of a public agency, in which case their public employers are required by law to grant them sufficient time away from their regular duties without loss of income or benefits while performing their Committee meeting duties.

The Committee meets in Sacramento, usually on the Wednesday, Thursday, and Friday of the third week of each month. Members generally must spend at least one-half day immediately preceding each meeting reviewing files and materials at the Commission offices. Regular and reliable attendance is mandatory, although absence for good cause may be excused.

Applicants should demonstrate that requirements for initial consideration are satisfied and, in addition, should provide complete information relative to educational background, work and professional achievements, community service and involvement.

Your application and résumé, if submitted, will be open to public inspection as a part of the selection process. The Commission reimburses school districts for the cost of any classroom substitutes needed as a result of a Committee member's attendance at a meeting.

The Commission on Teacher Credentialing is an affirmative action agency offering equal opportunity to all regardless of sex, race, religion, ancestry or disability. We encourage applications from a diverse cross-section of qualified applicants.
